High Gun Round

White Bird Round

The shooter who hits the most "white" targets wins the turkey. All "white" birds presented participate in the white bird count. Ties will go into extra shooting in high gun format at further distances until someone misses their target. 10 targets per round (2 per station). 16 yard, handicap, or wobble.

Prizes

We do not shoot real live turkeys. Frozen turkeys are awarded as prizes. If you win a turkey, you will be given a coupon. You may win as many turkeys as you desire and are able to.

All coupons **must** be redeemed for turkeys on the day they are won. We do not have a large freezer so we do not have any way to store frozen turkeys. Coupons cannot be carried over into future events.
