

McHenry Sportsmen's Club 2012 Ham Shoot

Saturday, March 31st and Sunday, April 1st

Open to members and non-members
Shooting starts at 10:00AM ends at 4:30PM
(or until all the hams are gone!)
Cost is \$6.00/round

3 WAYS TO WIN A HAM

High Gun Round

The shooter who hits the most targets wins the ham. Ties will go into extra shooting at further distances until someone misses their target. 10 targets per round (2 per station). 16 yard, handicap, or wobble -- you pick it!

White Bird Round

The shooter who hits the most "white" targets wins the ham. All "white" birds presented participate in the white bird count. Ties will go into extra shooting in High Gun format at further distances until someone misses their target. 10 targets per round (2 per station). 16 yard, handicap, or wobble.

Target Round

We will present targets on a stake and you will take one shot at the target. The shooter with the most pellets in his or her circle on the pig target wins.

Prizes

We do not shoot real pigs. Fresh hams are awarded as prizes. If you win a ham, you will be given a coupon. You may win as many hams as you are able.

All coupons **must** be redeemed for hams on the day they are won. We do not have any way to store fresh hams. Coupons cannot be carried over into future events.
