NOSTALGIA JACK POT SHOOT

Every third Sunday of the month, starting January 17, 2021.

Shooting starts at 11:00 AM, entries close at 12:30 PM

Limited to shotguns manufactured prior to 1980. Dig out your old Model 12's, Model 97's, A5's 1100's 870's and many others. You don't have to be an antique, just the shotgun. All are invited to participate, if you don't own a qualifying shotgun, I am sure someone will loan you one.

We ask that no guns be used that have adjustable combs, high ribs, or adjustable ribs....just old standard, off the rack shotguns. Screw in chokes, adjustable, and interchangeable chokes are allowed. Final decision on the appropriateness of the shotgun to be used will be determined by the shoot managers

The program will consist of 50 targets, 25 from 16 yards and 25 from 23 yards. The program may be shot more than once by paying another entry fee for each additional round.

The program cost:

Entry:	\$ 20.00
To Club:	14.00
Lewis Purse:	6.00

The Lewis Purse will be divided in 3 classes if 20 scores or less, 4 classes if 21 scores or more.

Ties divide.

Reminder the Sunday Jack Pot shoots will still be held on the Sundays when a Nostalgia shoot is not scheduled.
